

# Substance Use Prevention Help Line

**Who do we help?** Teens, together with people concerned about them, including teachers, parents, providers, friends, and family.

**What do we help with?** Our substance use prevention clinicians are here to help. Ask us about teen substance use, where to find resources and referrals, and how to talk with teens about drugs and alcohol.

**When do we help?** 7 days a week from 1pm – 10pm

 **866-833-6546**
